*With a choice consignment from
Harvey Hoewischer & Son, Sidney, Ohio*

8 Bulls and 43 Females
(14 Calves, Some at Side, Some Cataloged Separately)

This is a complete dispersion of a "Dream Herd" of Scotch Shorthorns, a herd that was established and maintained by an expert in the field of animal husbandry. It is a young herd in the peak of production. Many of the early 1957 calves that are cataloged separately will be sold separately from their dams — great buying opportunities for club members.

16 SOUTH LOCUST STREET **AURORA, ILLINOIS**

GENERAL INFORMATION

TIME AND PLACE — Monday, March 10, 1958, in the heated sale pavilion at the Auglaize County Fairgrounds, Wapakoneta, Ohio. Sale starts at 12 o'clock noon Eastern Standard Time. Wapakoneta is at the junction of U. S. Highways 33 and 25.

GUARANTEE — All cattle will be sold under the standard guarantee of the American Shorthorn Breeders' Association printed elsewhere in this book. Announcements from the auction block will take precedence over printed matter in the catalog.

SALE HEADQUARTERS — Koneta Hotel, Wapakoneta, Ohio. The sale manager will make reservations for you if notified in advance. We will arrange transportation from the hotel to the fairgrounds if notified and we will also be glad to drive you back to the hotel after the sale if you do not have other transportation.

HEALTH — The Martin Katter herd has passed annual tests for Bang's with flying colors and all cattle will be tested again within 30 days of date of sale. The health certificates provided on sale day will be evidence of a clean health record. Health certificates will be furnished with each lot sold. The Harvey Hoewischer & Son's herd is TB and Bang's accredited.

LIABILITY — The above guarantee and terms shall constitute a contract between the seller and buyer of each lot. Neither the clerk of the sale, nor the individual designated as sale manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished from information given by the owners. We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

The sale manager was retained for the specific tasks of preparing this catalog, handling the advertising and publicity, and disbursing the receipts.

LUNCH — Will be served at the pavilion.

TERMS — The terms of this sale are cash unless arrangements are made in advance. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

INQUIRIES ABOUT CATTLE LISTED — The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 South Locust Street, Aurora, Illinois.

MAIL ORDERS — Those unable to be present and who wish to do so may send buying orders to the following reliable men, who will be in attendance:

Hal Longley, Sale Manager, 16 South Locust Street, Aurora, Illinois.

Kenneth Fulk, Secretary, American Shorthorn Breeders Association, 7 Dexter Park Avenue, Chicago 9, Illinois.

TELEPHONE ORDERS — Those wishing to place bids the morning of the sale should call the Martin Katter residence, Red Wood 87885, at Wapakoneta, Ohio.

AUCTIONEERS — C. D. Swaffar, Tulsa, Okla.; Ned Place, Wapakoneta, Ohio.

Right: Mr. and Mrs. Martin Katter, Wapakoneta, Ohio, purchasers of champion female, left, and reserve, right, in the 1953 All-Ohio sale. The champion was bought for \$900 from Harvey Hoewischer & Son, Sidney, Ohio, and the reserve champion from Acadia Farms, Northfield, Ohio, for sale top of \$1,050.

We disperse with regret . . .

Conditions change and our lives change along with them. It is with deepest regret that we announce the complete dispersion of our herd of Shorthorns. To close out the registered cattle herd and to reduce our purebred hog operations was a difficult decision to reach because our lives have been dedicated to the business of improved livestock. However, the prolonged illness of my son and the need for a lessening of the burdens on my wife and myself make the decision seem wise.

Ours has been a family livestock enterprise with each member an active working partner. Whatever success we have attained in both cattle and hogs has been due to a family desire for satisfied customers and a family knowledge that good individuals, good bloodlines and good management go hand in hand toward a top goal.

When we started in the purebred Shorthorn business, we put into practice the things we have preached: "Start right and you will never need to start over again." We bought the best individuals that were available, making certain that each was backed by improving ancestry. In all modesty, we believed we have worked further improvement. We further believe that the breeder who buys Banchoy Macebearer will acquire one of the greatest sires of the breed and that his sons and daughters will be factors in improving the breed.

The herd is at its peak. Every animal will sell, none is being reserved, and all are being offered with full guarantees. The members of this herd are part of our lives. That they will go into the hands of persons who share our love for the better kinds is our greatest wish.

Mr. and Mrs. Martin Katter

Dream

herd must be dispersed

A Word From the Sale Manager . . .

Martin Katter calls his farms "Quality Farms" — and they are well-named — tidy as you would expect a top husbandman to have them, with herds and flocks reflecting that name to the fullest.

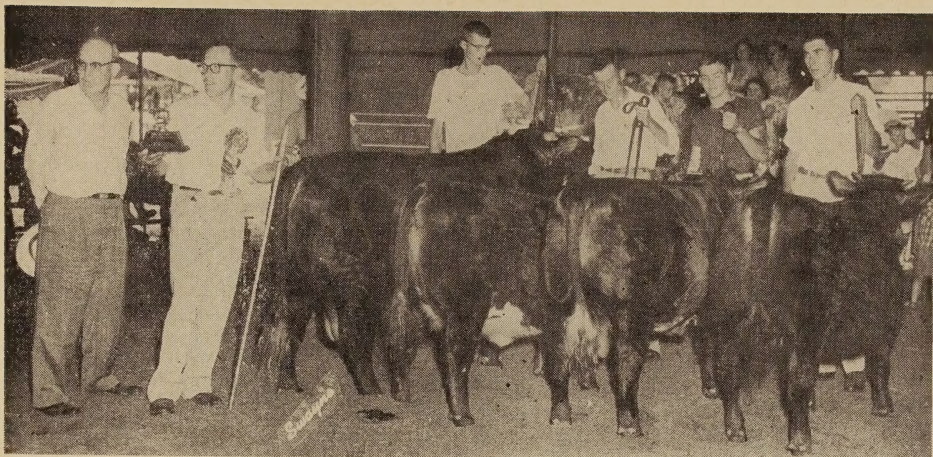

Now because of serious extended ill-health of his son, he must disperse his Shorthorn herd. The burden of three farms is too great for him alone. His dispersion will be a great loss to the breed as he is an expert stockman who has made few if any mistakes in the selection of his original foundation. He is the leading Duroc swine breeder of the country and holds the respect of all stockmen because of his strict guarantee on his hogs. He offers the same on these cattle.

From his experience as a stockman he recognized the value of a pedigree and when he founded his Shorthorn herd five years ago he did so with the determination to reach the same position he held in the hog business, insisting that good pedigrees always be accompanied with excellent conformation. The herd is right now at its peak. The expression "Dream Herd" can be applied more closely to this one than any about which we have used this term before. The herd bull, Banchory Macebearer, is one of the best imported bulls in America. He and a serviceable-age son sell along with 36 females, 14 of which have calves (some will sell separately), and 21 are bred to Banchory Macebearer.

Those who avail themselves of the opportunity of attending this sale will have an opportunity to see three farms maintained and run by an expert — not only an expert farmer, but also by an expert stockman.

Harvey Hoewischer & Son, Sidney, Ohio, have used good bulls jointly with Martin Katter, and are offering four bulls and four females. Two bulls and three females are by their great Shore Acres Dunrel, bought at \$2,100 in an International sale and sire now of 17 champions and tops in the last five years at state and national shows or sales. One bull in the Hoewischer offering is an imported-in-dam son of Erimus Gallant, he the sire of the noted Gallant Marshall. I do not hesitate to give my full endorsement to this sale offering.

***“We are honored to be invited

Hal Longley
16 So. Locust St.
Aurora, Illinois

Dear Hal:

You can imagine how we felt when Mr. and Mrs. Katter decided to disperse their fine new herd due to family health. In our association with them the past several years we have had high regard for their hope, desire and determination to breed better livestock. I'm sure their decision was a heart-breaking one. Their skill in the purebred business has been successfully demonstrated over the years with their outstanding Duroc hogs. Such honorable, forward thinking people are always hard to replace in the ranks of those deserving the name “breeder.”

We feel honored to be invited to sell a few lots in this sale and sincerely hope that we may help the Katters make this sale a successful event.

Yours truly,

Bill Hoewischer

Martin Katter started his herd at the Ohio State Sale, March 9, 1953, with the purchase of both champion females, Dunrel Augusta (two daughters sell) at \$900 and Acadia Clipper (selling) at \$1,050. The next month in the Auglaize sale he bought five heifers averaging \$752 including both champions. These included Koneta Germanica (selling), Lochmoor Myrtle (selling), and Dunrel Gloster (selling). That fall from the Leveldale sale he got Leveldale Lavender 4th (selling) at \$2,450. Calrossie Crocus Count had two sons that won both the Supreme Championships at the 1954 Perth Show and Sale, and at Leveldale Mr. Katter and the Hoewischers found a young calf by that bull which they bought for joint use. His name was Kair Monarch. Six of his get sell.

Later in 1954 Mr. Katter bought, in the Leveldale Sale, Leveldale Victoria (selling) at \$1,500 with cow calf (selling) by Leveldale Atlas, and imported Morphie Dolly (selling) at \$1,500. From the Reford Gardhouse sale he got imported Rosetta Linda (selling) at \$1,600 with a beautiful heifer calf at side, Quality Linda (selling). John Alexander bought the top female in that sale at \$4,200. Her calf, Saltoun Roth's Queen 20th (selling) was split away and Mr. Katter bought her at \$1,450. In April of 1954 at the Auglaize County Sale he bought the top female, PV Lancaster Princess (three daughters sell).

At the 1955 Leveldale Sale he found the bull he wanted to follow Kair Monarch, Banchory Macebearer (selling). In 1955 he consigned five head to the Auglaize sale and topped it at \$1,000. He sold five head in the 1957 sale and had champion bull with a son of Kair Monarch, another son was third top, and a daughter of Ash Hill Gloster (dam of heifer selling) was third top female.

This then is the foundation for the Martin Katter herd. We would say he made no mistakes.

Although the above points out a few of his top offspring, his greatest value as a sire has been his ability to sire calves of excellent type and uniformly high quality.

The late Professor Kays once said, "Bulls are plentiful but sires are few." Others have said, "You are lucky to have one great breeding bull in a life time." Although experience shows much truth in these statements we always look forward to securing better sires. We are grateful that Shore Acres Dunrel has proven himself a successful sire.

It was a lucky day for the Hoewischers when we fought the snow of 1950 and made it to Chicago where we purchased Shore Acres Dunrel in the International Sale from Arnold Bros. for \$2,100. He is now nine years old and his glamor days are over, but those who will avail themselves of some of his offspring can do so with confidence of performance.

Banchory Macebearer — The best tried sire to be offered for sale in years. By Cruggleton Cargill, a bull that was purchased at 1200 guineas by Banchory in the Cruggleton Dispersion and sold three years later at the then record price for a bull ever shipped to South Africa, 5500 guineas. Cruggleton Elvin was a first prize winner at the Highland Royal and English shows. Twenty-three daughters of Cruggleton Elvin in the Cruggleton Dispersion averaged \$1,710. We purchased Banchory Macebearer in the 1955 Leveldale sale at \$3,800. Banchory Macebearer was used in the Leveldale herd before the 1955 sale and three sons in the 1957 Leveldale sale all brought over \$1,000 and sold to head top herds. The evidence of this bull's ability will be apparent to anyone attending the sale and examining the many outstanding calves we have by him. He's a great individual and a great sire.

Saltoun Rothies Queen 20th — At the 1954 Aberfeldy Sale, Saltoun Rothies Queen 15th was the top selling female at \$4,200 going to John Alexander & Sons, Aurora, Illinois. Her calf, Saltoun Rothies Queen 20th, was split away, and we paid \$1,450 for this calf. She is now one of the most valued members of our herd. Females such as this are rarely offered. Her roan, June 14, 1957 daughter sells as a separate lot, and she is rebred September 12 to Banchory Macebearer. A yearling daughter also sells as a separate lot.

SALTOUN ROTHES QUEEN 15th topped the 1954 Aberfeldy Sale at \$4,200, bought by John Alexander & Sons, Aurora, Ill. Her calf, split away and sold separately in that sale, was purchased by Martin Katter at \$1,450, and is selling as Lot 9, and her daughters sell as Lots 10 and 11.

Willow Lee Sunshine — A bull that deserves your serious consideration — a deep red with great depth of body, tremendous bone and the greatest rump I have ever seen on a bull. His sire, Willow Lee Wonder 17th, was the son of the grand old imported Drynie Wonder which Dr. House and Vernie Benroth earmarked early for stock bull duty at Willow Lee. His calves, too, are gaining the respect of good cattlemen. A daughter exhibited by Pennsylvania State University stood second at the great 1957 International. The dam of Sunshine is one of the good Drynie cows in Dr. House's herd. Further study of the pedigree should give greater assurance of the breeding potential of this good bull. Herd accredited for T. B. and Bangs.

Dunrel Conductor — Each year's calf crop seems to have a couple of calves more outstanding than others. Dunrel Conductor has been one of these. He certainly has looked great to many of us as he has been developing. He has a right to be that way. His granddam was a good producing daughter of Pittodrie Upright, and his mother has now had three calves — all of them red bulls. You'll like this calf's rich red color, his wonderful head, rugged bone and smoothness of body conformation. See him sale day and appraise him yourself. He has the earmarks of a future sire. Don't forget the record of his sire! Herd accredited for T. B. and Bangs.

Willow Lee Gallant — An imported-in-dam bull ready for heavy use with an excellent imported pedigree. His sire is the sire of Gallant Marshal that made such a sensational record as a sire at Perth a couple of years ago. The dam of Willow Lee Gallant is a good imported Drynie cow in the House herd. This bull has been fed with two other bulls in an open shed and grass lot where they have never been pampered. Herd accredited for TB and Bangs.

Dunrel Hilda 6th — We are always happy to offer bred heifers in sales because we feel they make happy customers. Many will remember this heifer's full sister, Dunrel Hilda 4th, that was champion at our State Show in Ohio and second in a strong summer yearling class at the International in 1954. As a senior yearling, she was reserve senior champion at the Eastern National and fourth at Chicago. A full brother was champion sale bull at the 1957 State Sale last spring. Another sister is the dam of the good bull, Dunrel Conductor that sells in this sale. Bred to Willow Lee Conquest. Calfhood vaccinated.

DUNREL ROSEBUD 4th, full sister to Lot 49, was grand champion of the 1955 Ohio State Fair and sold at \$1,000 in the 1955 International Congress Sale where she was champion sale female, to J. Mallory Nash, Warrenton, Virginia.

Dunrel Clipper 2d — If you want low-set, thick females, here is one you shouldn't miss. Her dam was one of the top heifers in the Auglaize County Sale a few years ago and has proven to be an excellent brood cow. Her second calf was champion bull and top-selling animal in an Auglaize Sale. The dam of this heifer is good-headed, especially wide-ribbed and is one of the best looking cows in the herd. Of course, being by Shore Acres Dunrel is further promise of this heifer's ability to be a brood cow. Sons and daughters of the old bull continue to make friends for the Hoewischers. Bred to Willow Lee Conquest, a son of Willow Lee's great young sire, Willow Lee Wonder 17th. Calfhood vaccinated. Accredited for T. B. and Bangs.

STANDARD GUARANTEE
OF
AMERICAN SHORTHORN BREEDERS
ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf, must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, and those not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
